

GERRY DANIEL HENRI

Partner

Gerry embarked on a distinguished audit and accounting career from the Island Development Company to ACM & Associates as an Audit Senior to Eden Island Development Company as the Senior Accountant.

Gerry was also heavily involved in audit teams that collaborated with EY Mauritius on vital audits including Berjaya International Casino Management and Seychelles International Mercantile Banking Corporation. Gerry has equally expended his compendium of financial knowledge extensively within the Constructions, Real Estate Management, Island Estate Management and Association Management within the business environment of Seychelles.

Gerry is a licensed auditor and has become a Partner at ACM & Associates since August 2022, marking a pinnacle in his finance and auditing journey.
