

JEAN MARIE MOUTIA

Partner

Jean-Marie currently possesses a fellowship with ACCA, which is accompanied by a repertoire of accounting and finance knowledge that extends across four decades and several countries.

Jean-Marie has championed the role of consultant for several first movers within the business environment ecosystem of Seychelles such as the likes of Kokonet – the first internet service provider in Seychelles. He equally held the position and responsibility of advisor and liquidator on a number of court appointed insolvency and financial cases within the Republic of Seychelles. Jean-Marie has also been bestowed the responsibilities of Treasurer of the Seychelles Chamber of Commerce and Industry.

Jean-Marie has taken the lead role of consultant and director propitiously across an array of industries, such as manufacturing, textile, IT, retail, tourism, assurance audit and other services providers throughout his career. This has enabled him to be the most prolific investment analyst in Seychelles.

With over 40 years of experience as a Financial Director, Jean-Marie is a Fellow Chartered Certified Accountant specializing in Investment Analysis & Management, Local Taxation Expertise, and Local & International Market Analysis. Throughout his career, he has successfully served both local and international clients across various industries.

He is dedicated to providing expert financial guidance and strategic investment solutions.
